EXPERIMENT

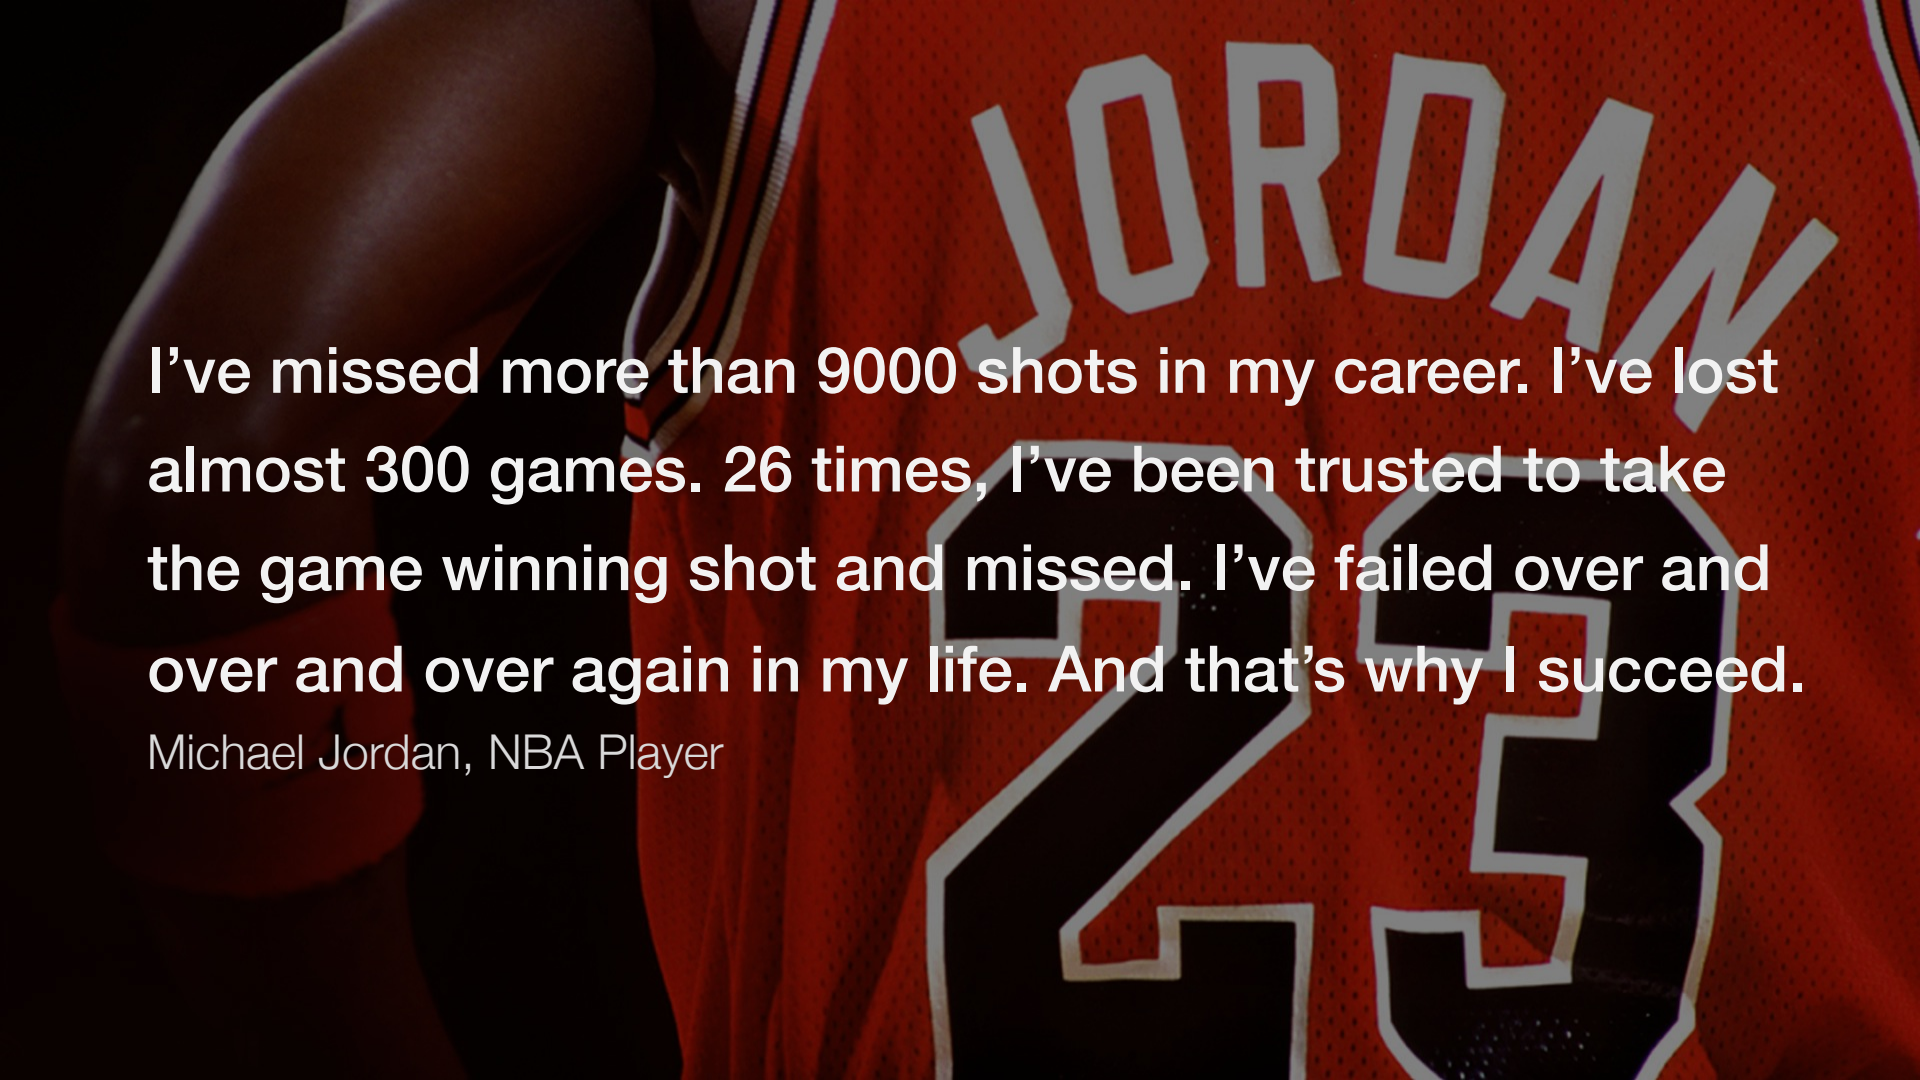

Rapid Prototypes & Stories

UNTIL AWESOME!

A close-up, slightly blurred photograph of the back of Michael Jordan's red Chicago Bulls jersey. The name "JORDAN" is printed in white, arched capital letters across the upper back, and the number "23" is printed in large white block letters below it. The jersey has a fine mesh texture. On the left side, a person's arm is visible, wearing a red wristband with a white Jumpman logo. The overall lighting is dim, with the jersey's red color being the primary light source.

Embrace Failure

A close-up, slightly blurred photograph of Michael Jordan's upper body. He is wearing a red Chicago Bulls jersey with the name "JORDAN" and the number "23" in white with black outlines. The background is dark and out of focus.

I've missed more than 9000 shots in my career. I've lost almost 300 games. 26 times, I've been trusted to take the game winning shot and missed. I've failed over and over and over again in my life. And that's why I succeed.

Michael Jordan, NBA Player

Designer Fair at Stanford d.school

Billed as a "science fair for kick-ass designers," this was an event to pull together hackers, start-up

Viral

Becoming very popular by viral processes to produce self-replicating processes to produce from person to person or enhanced spreading of information and other Internet sharing through social media video clips, images, text messages, viral marketing, advertising, or business.

- A **10-point improvement** in a Customer Experience Index score can amount to a **\$1.5 billion in revenue impact** *(Forrester)*
- A **2% increase in customer retention** has the same effect as *decreasing costs by 10%* *(Leading on the Edge of Chaos, E. Murphy & M. Murphy)*
- **86% of consumers quit doing business** with a company due to bad customer experience *(Harris Interactive)*
